Dear media colleague,

Thank you for attending the FIA World Touring Car Cup. We hope you will have a successful event. We would like to remind you of the filming restrictions that are in place at all rounds of the WTCR for accredited media.

Unless you have authorization from Eurosport Events, the WTCR promoter and media rights holder, you are not allowed to undertake any filming work for television, online or otherwise.

This restriction not only applies to the on-track action, but also to the event's paddock(s), the pre- and post-event press conferences and the start and finish podiums for the duration of each round of the WTCR.

If Your application for Television Accreditation is approved by Eurosport SAS, Eurosport SAS hereby:

- (a) Grants to you on a non-exclusive basis the right to attend and film the Event(s) requested. You expressly acknowledge that entry to the relevant Event locations is subject to the terms and conditions of entry for that Event and to the reasonable directions of Eurosport SAS and the local Event Promoter;
- (b) Licenses to you on a non-exclusive basis the right to broadcast only on the Channel or Website and Programme listed below, up to the maximum duration of 5 minutes in total of images, footage and/or audio of the Event filmed by You during the WTCR Event.

You acknowledge and accept that due to the nature of motorsport racing there are inherent risks in attending Series/Events, and that particular venues/circuits (and areas thereof) may present additional dangers. You hereby accept all such risks and dangers.

Accreditation may be suspended, revoked or withdrawn at any time, if Eurosport Events, believes that You have breached any of these terms. Such suspension, revocation or withdrawal will be without prejudice to any other rights Eurosport SAS and its affiliates may have against You. Depending on the nature of any potential breach, legal action may be taken against you.

Thank you for your understanding and co-operation in this matter. Please email any questions or queries to:
vianney_castillo@discovery.com; pascal_petit@discovery.com; alexia_maniere@discovery.com; and robin_seligmann@discovery.com

Yours faithfully
